Please coordinate with Monica Lee. She or Liz were going to call on Tuesday.

Sure. But I can't tell if he is calling related to GKM or just in general.

Carolyn -

Do you want to call this guy tomorrow to see why he is asking and find out who he is.  
Seems a little odd he would be calling the region for this information.

Tim Kelly from the White House called asking for EPA's Chief Privacy Officer.

The woman who took the call here did some checking and she believes it is  
Yvette Hopkins.

Would you like me to call Tim Kelly back and give him Yvette's contact  
information or should this be handled out of HQ?

Thanks,

Rebecca
